

TOGETHER TOWARDS ZERO

DAME ALISON PATERSON
Chair, Forest Industry Safety Council

HON JO GOODHEW
Associate Minister for Primary Industries

16 MARCH 2016

By signing this Charter I agree that the current safety performance within the forestry industry must improve. I and / or my company commit to work Together Toward Zero, through:

1. Supporting and encouraging initiatives that improve the safety and wellbeing of all those working within the forestry industry
2. Fostering the implementation of safety best practices in all aspects of my business; creating a workplace where everyone views safety to be important
3. Leading by example and supporting and inspiring others to work Together Towards Zero
4. Engaging actively, and collaboratively, with industry, government and other stakeholders that may assist the forestry industry in achieving its mission statement
5. Implementing proactive and accurate health and safety reporting and benchmarking.
